

## MEMORANDUM

**TO:** All College prospective suppliers;  
All internal employees

**FROM:** Mrs. NP Phewa

**DATE:** 26 May 2021

**SUBJECT:** **PROCUREMENT MEMO 3/3 OF 2021 – CENTRAL SUPPLIER DATABASE**

Dear All

The National Treasury's Central Supplier Database (CSD) maintains a database of organisations, institutions and individuals who can provide goods and services to government departments, entities and municipalities. The CSD serves as the single source of key supplier information for organs of state from 1 April 2016 providing consolidated, accurate, up-to-date, complete and verified supplier information to procuring organs of state.

Prospective suppliers interested in pursuing opportunities within the South African government must self-register on the Central Supplier Database in order to conduct business with any organ of state.

Please note that as of 1 June 2021, the College procurement department will be sourcing goods and services only from suppliers that are registered in the CSD and will no longer maintain a separate supplier database.

Suppliers are encouraged to register with CSD to be able to trade with the College.

Thank you for your cooperation.
